

Are you Growing up in Salford? and aged between 14-25?

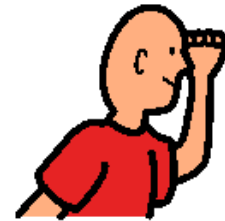

Do you have questions or worries about what will happen in your life as you grow up?

Do you sometimes feel that no one is listening to you? And you would like the chance to talk about issues that matter to you? Whilst having fun and socialising with other young people.

If yes; Look no further we may have just what you are looking for :

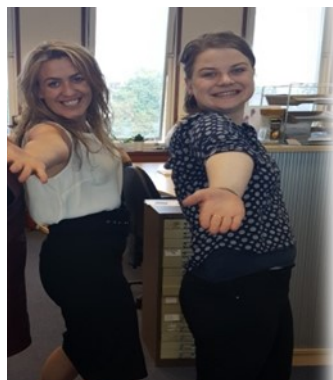

We have a group called TAG for young people and drove by young people, The group aims to look at:

- Issues with growing up
- Your dreams, hopes and aspirations
- Keeping in touch with friends
- Socialising
- Organising events for others and presenting out views

Contact the team today:

Or fill out our tag Application form

TAG (Teenage to Adult group)

Listen to young people's views about what it is like to grow up in Salford

Find out what young people think are problems / issues

Give young people information about the things that matter to them—in a way they understand

Support young people to arrange social events for themselves and their friends

Young people to build their independence skills through person centred fun sessions.

Young people to present their findings to the transition task group and support the task group to write an action plan about what can be done about the issues they are facing

Young people to arrange events about growing up in Salford for other young people
